City to Solicit Competitive Bids for Beebe Building Demolition

At their regular meeting on November 8th, the City Council authorized the solicitation of competitive bids for the demolition of the Beebe Building. The bidding process will be coordinated by consultant Short Elliott Hendrickson (SEH, Inc.) and will include a mandatory meeting for interested contractors. Bids will be brought to the City Council at their regular meeting on December 13, 2021 for possible approval.

Plans call for the Beebe Building to be razed to clear the way for the construction of a four-story, 50-unit apartment building for ages 55 and older with underground parking. The current timeline for the project includes demolition of the Beebe Building this upcoming winter, and construction beginning on a clean site in the spring of 2022, pending the necessary approvals from both the Plan Commission and City Council.

Updates about the project will continue to be provided on the City of New Richmond website. For more information, please contact City Administrator Noah Wiedenfeld at 715-246-4268 or nwiedenfeld@newrichmondwi.gov.
